I have a to-do list for Minnesota issues to discuss with you, and our next quarterly call with MPCA is coming up on February 13. I would also like to mine Krista's brain while she is working with us.

Ex. 5 Deliberative Process (DP)

Minntac ; please advise if you want to use the 2/13 call to discuss this, or to approach differently. We could certainly use the 2/13 call to ID Minntac issues and then set up a call shortly thereafter.

2. MPCA data issues – there are ongoing data issues you should be aware of and I will share what I know.
3. Mining Petition update (Krista can you enlighten us?) –
